All here invited!

Burgare, if not on previous list... =(

Maybe I have some spares/no shows...

Who are you?

Stand up! (Any new mastodonusers btw?)

Name, job, preferred chat (irc, matrix, mattermost or other...) and X!

(X = bonus för dark secrets!)

Ransomware is not working for Containers.

by Christian Petersson, Solution architect.

A dark, atmospheric photograph of a city skyline across a body of water. The image is dimly lit, with a prominent church spire rising from the city center. Several construction cranes are visible in the background, suggesting ongoing development. The water in the foreground is calm, reflecting the city lights. The overall mood is quiet and contemplative.

Coffee time!
