Burgare, if not on previous list... =(

Maybe I have some spares/no shows...

Who are you?

Too many today, so we'll just do a quiz!

1. Form teams!
2. Name team!
3. Form permanent and deep friendships!
4. Go to [menti.com](https://www.menti.com) and crush the competition!

~~Stand up! (Any new mastodonusers btw?)~~

~~Name, job, preferred chat (irc, matrix, mattermost or other...) and X!~~

~~(X = bonus för dark secrets!)~~

The challenges and opportunities of configuring confidential computing for production.

by Nicolae Paladi, CEO and co-founder of CanaryBit

A dark, atmospheric photograph of a city skyline across a body of water. The image is dimly lit, with a prominent church spire rising from the city center. Several construction cranes are visible in the background, suggesting ongoing development. The water in the foreground is calm, reflecting the city lights. The overall mood is quiet and contemplative.
